Mythbusting

myth - **THERE'S NOT A WHOLE LOT TO DO**

fact - **THERE'S PLENTY TO DO, IN THE CAPITAL AND BEYOND**

Many visitors stay within a small area of Noumea and miss out!

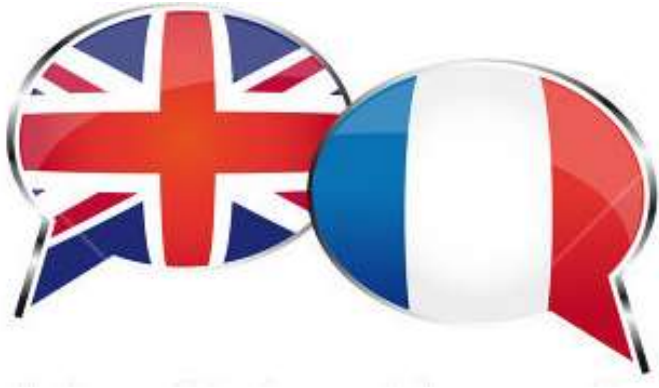

We suggest:

- a stay on the outer islands (less than 40 mins by air)
- a day trip to Duck Island or Amedee Island
- a day trip to the Great South for treks + adventure sports
- Rent a car and go exploring

Mythbusting

myth - you must be able to speak French

Fact - IN NOUMEA, many cafes and restaurants have English and French menus, or English speaking staff.

Within Noumea it's much easier to find service staff and menus that cater to English speakers.

Regionally things are bit more French, but not prohibitively so. Some travellers seek this out as part of their travelling experience.
